

Chris Riddell

Hello! My name is

Chris Riddell. I am 42 years old. I own my own dog biscuit company, Chris's Canine Cookies. Even though I am nonverbal, I enjoy selling the cookies to friends and at events.

I have hired two workers through my Supports for Community Living Medicaid Waiver participant directed services who help me be active in my community.

- I love swimming, horseback riding and basketball.
- My workers help me when I have seizures.
- I volunteer with Meals on Wheels and fill backpacks with food for students.
- I go to church on Sundays.

My workers help me in my own apartment with laundry, cooking, hygiene, hearing aids and dressing. I have a very happy, active, productive life due to the services from the Medicaid Waiver.

If I did not have my Medicaid Waiver, my 73 year old mother who has heart issues would have to assist me day and night, I love her but I am too old to spend all my time with her!
