

Coming Fall 2018 to SDF!

Wings for All® is Coming to Louisville International Airport

Wings for All® is an airport rehearsal program designed specifically for individuals with Autism or other intellectual disabilities. Families are given the opportunity to practice entering the airport, going through TSA security, waiting in the gate area, and boarding a plane (that does not take off). This event is free of charge to families and registration is required to attend. Wings for All is a national program of The Arc of the US.

The Arc of Kentucky is happy to announce that Wings for All will be landing at the Louisville International Airport in the Fall of 2018. More details forthcoming soon. For more information check out the Wings program website at www.thearc.org/wingsforautism or contact Kerry Mauger at mauger@thearc.org
