

Dear Friend,

The Arc of Kentucky is holding its annual conference titled "Gaining an Edge through New Waves of Opportunity" and we need your help! Our conference will be held from February 19-20 at the Crowne Plaza Louisville Airport in Louisville Kentucky. On February 19th & 20th we will be holding a Silent Auction and are in need of donations. As you know, financial support is extremely important to The Arc of Kentucky, as we rely on donations to provide services in the community that are greatly needed.

We are a statewide grassroots organization that promotes a better quality of life for Kentucky's children and adults with intellectual or developmental disabilities. The ARC was formed in 1955 by a small group of parents that recognized the need to advocate for the rights of citizens with intellectual and developmental disabilities to ensure a quality life. As a well-known and respected non-profit charitable organization, The Arc of Kentucky addresses more than 100 different diagnoses including Autism, Down syndrome, Fragile X Syndrome, and various other developmental disabilities that provides a pathway for individuals with intellectual or developmental disabilities to realize their goals and choose where and how they learn, live, work, and play independently in the community. Together with our network of members and affiliated chapters, we improve systems of support and services, connect families, inspire communities, and influence policy on a local, state, and national level.

We depend on the added support of our friends in the business community who supply us with exciting auction items. Would you be willing to donate either a gift certificate or merchandise from your business?

Someone from our committee will be contacting you to discuss your contribution. It is a win/win situation when we benefit from your donation and you receive the goodwill which comes as a result of your generosity. We will publicize all donations through our Facebook page and website. Feel free to include your website links, flyers, or business cards to be displayed on our sites/auction area.

Our organization's ability to continue to operate is due in large part to the generous support of individual donors who believe in our mission, as well as gifts from businesses and corporations.

Thank you for considering our request.
